TO: PARTIES INTERESTED IN ACCEPTANCE CRITERIA FOR TEST REPORTS

SUBJECT: Revisions to the Acceptance Criteria for Test Reports, Subject AC85-1208-R1 (SR/MB)

Dear Madam or Sir:

The subject revised acceptance criteria was reviewed under the alternate criteria process. The proposed revisions were posted to our web site for public comment in December 2008. The revised acceptance criteria was approved by ballot of the ICC-ES Evaluation Committee in December 2008 with a January 1, 2009, effective date.

Evaluation reports issued on or after the effective date noted above, and falling within the scope of this criteria; will be required to comply with the revised published edition of the criteria. Evaluation reports issued prior to the effective date may be in compliance either with the revised acceptance criteria or with the previous edition. Evaluation reports based on a superseded version of an acceptance criteria must be brought into compliance with the most recent edition at the time the reports are reissued. Therefore, applicants should submit data verifying compliance at the time they apply for re-examination.

ICC-ES evaluation reports issued on or after the effective date noted above, both new reports and conversions of legacy reports, must comply with this criteria if they fall within its scope.
