**TO: PARTIES INTERESTED IN EVALUATION REPORTS ON GLASS
GLAZED SKYLIGHTS**

**SUBJECT: Proposed Revisions to the Acceptance Criteria for Glass Glazed Unit
Skylights and Sloped Glass Glazing, Subject AC17-0209-R1 (RK)**

Dear Madam or Sir:

In February 2009, a staff letter with attached correspondence proposing revisions to the subject criteria was posted on the ICC-ES web site for public comment, under the alternative criteria process. The proposed revisions to the criteria are in an early stage of development and the letters were posted on the web site to allow for public comments. No responses were received. ICC-ES staff will decide on the next course of action, which may be to prepare a draft of the criteria with proposed revisions and post it anew under the alternate criteria process; to prepare a draft of the criteria with proposed revisions and take it to a future public hearing of the Evaluation Committee; or to withdraw the proposed revisions to the criteria from future consideration.

If you have any questions, please contact Russ Krivchuk, Senior Staff Engineer, at (800) 423-6587, extension 3275. You may also reach us by e-mail at es@icc-es.org.

Yours very truly,
