**To: PARTIES INTERESTED IN EVALUATION REPORTS ON ROOF UNDERLAYMENTS**

**Subject: Revisions to the Acceptance Criteria for Roof Underlayments, Subject AC188-0210-R1 (WM/JV)**

Dear Madam or Sir:

In February 2010, the subject proposed revised acceptance criteria was posted on the ICC-ES web site for public comment, under the alternative criteria process. The criteria is in a relatively early stage of development and was posted on the web site only to allow for public comments on the draft. ICC-ES staff will now review all comments and decide on a course of action, which may be to revise the draft and post it anew under the alternate criteria process; to revise the draft and take it to a future public hearing of the Evaluation Committee; or to withdraw the proposed criteria from future consideration.

If you have any questions, please contact Woods McRoy, P.E. at (800) 423-6587, extension 5686. You may also reach us by e-mail at [es@icc-es.org](mailto:es@icc-es.org).

Yours very truly,
