MEMO

In response to the request for public comments in our December 29, 2009, staff letter on the subject criteria, the following items were received:

1. A letter from Thomas Van Denend (ShelterWorks Ltd.), dated January 19, 2010.
2. An e-mail from Robert Sinclair, dated January 22, 2010.

ICC-ES staff reviewed this correspondence. In addition, we received a request from the proponent, who would like to hold this criteria for further study. Staff agrees to honor the request for further study. However, we will still consider any comments interested parties may have.
